

**School Value:  
Respect**

**Class: Larches  
Autumn Term 2023**

**Curriculum Drivers:**  
Aspiration  
Contribution  
Exploration

### **Science – Rocks, Fossils and Soils**

This term we will be comparing and grouping together different kinds of rocks on the basis of their appearance and simple physical properties, describing how fossils are formed and looking into soils and their creation.

### **English –**

We will be using our class book “Leon and the Place Between” to focus on our T skills including expanding noun phrases to give more detail. We will be looking at how to write to entertain as well as innovating our own stories inspired by our class text.

### **PE –**

Will take place on Tuesday and Thursday afternoons – please ensure you come in your kits for these days.

### **Ancient Egypt (History)**

We will be using our history skills to discover the achievements of the earliest civilizations. We will be looking at Pharaohs, hieroglyphs and finding out what we can discover about how the Ancient Egyptians lived.

In Geography, we will look at the River Nile and its importance to Egypt, its position in Africa and how it is used.

### **French – All about me**

We will be looking at recognising classroom instructions, body parts, colours and clothes.

### **RE-**

How and why do people try to make the world a better place?

What is the ‘Trinity’?

### **Maths –**

In our first term, we will be focusing on our key skills of understanding number starting with place value. We will then move onto addition and subtraction, multiplication and division.

**ART** – In art, we will be storytelling through drawing. We will be able to use our drawing skills in order to retell a story or create our own. We are hoping to use our topic of Ancient Egypt to inspire us.

**DT** – We will be creating a storybook with moving mechanisms.
