

**School Value:
Responsibility**

Class: Larches Summer Term 2024

Curriculum Drivers:

Aspiration
Contribution
Exploration

Science – Living in Environments

This term we will be looking at different habitats and the animals that live within them. We will be investigating the different environments where living things can exist and thrive.

French

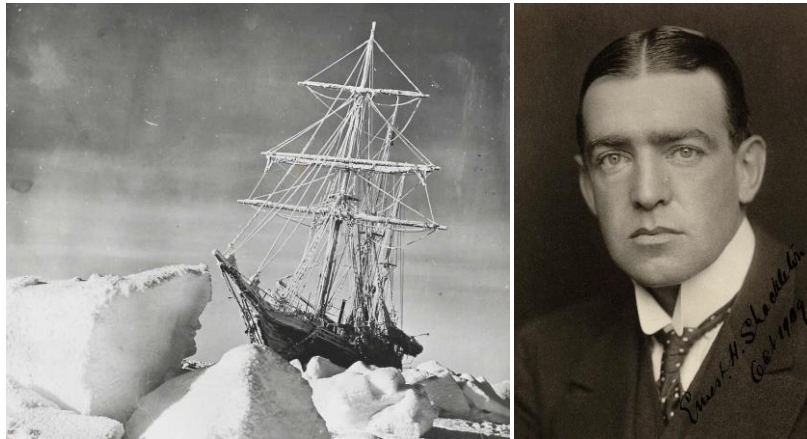

This term we will be exploring French food and using money. We will be continuing to use our pronunciation skills and reading skills to decipher and recognise more words.

Maths –

This term we will be consolidating our skills of adding, subtracting, multiplying and dividing. We will be continuing to look at decimals and fractions as well as look at statistics, angles and shape.

Earning a Living Geography

In Geography this term, we will be exploring a range of jobs and their sectors with a focus on the UK and our local area. We will also explore different jobs in the world, unemployment and the future of jobs.

PE –

Swimming will take place on Tuesday and Thursday afternoons with Prostars – please ensure you come in your PE kit on these days.

RE-

When Jesus left, what was the impact of Pentecost?

What do Christians learn from the creation story?

English –

We will be using our class book, Ice Trap to write application letters to Shackleton, letters home and work on our T skills of speech marks and tenses.
In Summer 2, We will be reading Pugs of the Frozen North and creating our own narratives based on the text.

ART – We will be looking at plinths and the art of display. We will be creating our own art to put on display using wire, clay and materials.

DT – In Summer 2, we will be looking at British inventors.
