

School Value: Respect

## Class: Oaks Autumn Term 2023

Curriculum Drivers:  
Aspiration  
Contribution  
Exploration

### Science –Electricity

We will be looking at different electrical components and how they work in circuits as well as how we represent them in diagrams. We will then use this closer to Christmas for our DT project.

**English** – we will be using our class books Cogheart to focus on our T skills of relative pronouns, relative clauses and various punctuation including the use of brackets, commas and dashes. We will be writing diary's and mythical narratives.

### PE – Gymnastics / Tag Rugby

Will take place on a Tuesday and Thursday afternoons – please ensure you come in your kits for these days.

### Ancient Greece (History) Modern day Greece (Geography)

We will be looking at Ancient Greece and the influence this civilisation has had on our lives today. We will look into Greek myths and read Percy Jackson in the second half of the term. In Geography we will look at the human and physical geography of Modern day Greece.

**French** – Miss Briggs will be teaching you French this term..

### ART – 2D drawing to 3D making

Looking at how artists use 2D sketches to produce 3D work. With a focus on food packaging and the artist Claire Harrup.

### DT – electrical quiz boards

Use our science knowledge to design, make and evaluate a quiz board.

**RE-** *U2.11 Why do some people believe in God and some people not?*  
*U2.9 Why is the Torah important to Jewish people?*

**Maths** – focus on place value and the 4 operations: addition, subtraction, multiplication and division.
