## Class: Oaks Autumn Term 2025

### Science –

This term we will be exploring electricity building on knowledge from lower key stage two including circuits and explaining their reasoning.

Our second topic will be sound.

### English –

We will be using our history topic of the Ancient Greeks to create a timeline. Later in Autumn we will be creating a narrative based on remembrance day. Our two class books, centered around history, will let us explore the topic and ensure that we can read and answer questions confidently.

### PE – Taught by Mrs Rylatt, Miss Briggs and Prostars

Will take place on Wednesday and Friday- please ensure you come in your kits for these days.

### Ancient Greece (History)

We will be using our history skills to discover what life was like in Ancient Greece including looking at the different time periods and city states found in Greece.

In Geography, we will be looking at modern day Greece and its place in Europe.

### French –

We will be exploring French modes of transport and continue to develop our understanding of the written and spoken language. Secondly, we will be looking at language related to houses.

### RE- Taught by Mrs Rylatt

What influence does believing in God as Trinity have for Christian worldviews?

How does Hajj show what matters to Muslims in Britain?

### Maths –

In our first term, we will be focusing on our key skills of understanding number starting with place value. We will then move onto addition and subtraction, multiplication and division.

**ART** – In art we will be looking at 2D to 3D drawing and design. This will look at creating some 3D models and looking closely at detail to create realistic drawings.

**DT** – We will be creating a gingerbread house.
