Contribution
Exploration

Science –

This term we will be exploring the properties of materials including dissolving, solutions and separating. Are changes reversible?

English –

We will first focus on creating a speech on Plastic Pollution before writing a narrative in Spring term 2. Our two class books, centered around our Geography topic of Rivers, will let us explore the topic and ensure that we can read and answer questions confidently.

PE –Miss Briggs (Monday-Y6) and Prostars

On Monday, Y5 will be swimming and Y6 will be having a session after SATS revision during the afternoon. On Wednesday, Prostars will be continuing their sessions. Please ensure you come in your kits for these days.

Class: Oaks Spring Term 2026

Rivers Geography

In Geography, we will be focusing on physical geography. We will explore how rivers are formed and key vocabulary will be crucial to our understanding.

In History, we will be exploring our local area's history.

French –

We will be exploring French music celebrations and verbs building on our knowledge of sentence structure so far.

RE- Taught by Mrs Rylatt

How do Muslims decide what is right and wrong?

Why might the belief that Jesus 'saved' people be so important for many Christians?

Maths –

In our first term, we will be focusing on multiplication and division before revisiting fractions and moving on to decimals.

ART – In art , we will be drawing and later painting cityscapes and landscapes.

DT – We will be exploring the structure of bridges.
